## HOW DO YOU S.P.A.?

### SCRIPTURE

- Father, what is the main Scripture for me today?
- Ask the Lord to show you ONE verse from the passage you read and write it down.
- Don't worry if it doesn't make any sense in that moment

### PROPHETIC WORD

- Father, what are you trying to say to me through this?
- Write down everything you hear the Father tell you in complete sentences (try not to write in bullet-point form)
- Example: Dear Mary...

### APPLICATION

- Father, what do you want me to do today?
- Write down the main thing(s) God wants you to do today
- Keep it short and simple

### SOME OTHER TIPS

- Before you start to read, take a minute of prayer to quiet your spirit, ask Father to speak to you, & thank Him
- Use a Bible reading schedule
- Mark up your Bible! Underline/high light passages that "jump out at you"
- If you miss a day or two of SPA'ing, start with today's reading & hear what Father God is saying to you. Reject condemnation & guilt!
- Close your time with a prayer
